ourroots /

Sandarich International Company limited is established in 2006, we mainly OEM and ODM outdoor knives and tools for camping, fishing, survival and even daily uses for United States and Europe market.

In 2014, we have created and registered 鐵人, 鐵 Golf and TR brands for our very own line of products. The vision is to build products that are for the outdoors and sports like golfing, cycling, shooting, hunting, skating, fishing, etc. Our range of products includes tools, knives, water bottles, apparels, caps, and sunglasses that are designed around our 3 core values in mind - Safety, Durable and Comfort. With this range of products, we strive to provide our customers a one-stop-shop experience in this ever-changing market trends and needs.

We work closely around our motto - Bringing the Best Quality & Creativity Together. We are quality oriented and innovative with designing the best products for our consumers, just like our brand TR, which stands for Tactical and Reliable.
